

# Reference Tracker 3

is now available on the Mac App Store

Reference Tracker 3 is now available on the Mac App Store and has a bunch of great new features. You can find out more at [malkinware.com](http://malkinware.com).

With this release, we will no longer be offering Reference Tracker licenses for sale on malkinware.com. As you have purchased this copy of Reference Tracker 2 from our online store, you are eligible for a free upgrade to Reference Tracker 3 on Mac App Store.

We will be contacting all our Reference Tracker 2 customers by email and providing a promo code that you can redeem on the Mac App Store for a free copy of Reference Tracker 3.

If you haven't received a promo code from us, please get in touch at [support@malkinware.com](mailto:support@malkinware.com).
